A complimentary transfer is available from Christchurch and Auckland Airports or accommodation surrounding the Airports on the day of pick-up and drop-off. If you are unsure if your accommodation will qualify for our complimentary service, please do not hesitate to get in contact with us. **Please note that complimentary transfers are on the hour every hour, and only available during the High Season between the hours of 10:00am and 3:00pm.**

7. Deposits and Payment

To secure the booking, **a non-refundable deposit of either 10% of the booking value or \$300.00, whichever is greater, is required.** This deposit may vary if the booking is through an agent of Kiwi Campers. The remaining balance of all rentals is due 28 days prior to the commencement of the rental period and will be deducted from the credit card provided when securing the booking. If, after this date, the hirer cancels their booking the cancellation policy will apply.

8. Payment

All Credit Card transactions are conducted in New Zealand dollars.

Our only payment methods are Credit Cards, Debit Cards, and EFTPOS cards. We accept Visa and MasterCard (including for the security bond) and apply a 2% surcharge on these transactions.

We do not accept payment in cash.

9. Security Bond

A valid Visa or MasterCard credit card is required for the security bond. If you do not have a valid Visa or MasterCard, please contact us so that we can email you a credit card authorisation form which allows you to use the credit card of a family member/guarantor.

When you collect your vehicle, we make a copy of **your credit card for the security bond.** We do not deduct the bond from the credit card at the start of your hire, but merely hold the authority to deduct it in the unfortunate event of an accident or any infringements incurred. The amount of the security bond is determined by the applicable liability reduction option you have chosen.

The copy of your credit card covers your accident/damage security bond liability plus any extra costs such as refilling fuel, cleaning, emptying of the toilet at the end of hire or any traffic infringements, losses or breakages and any related surcharges. Each separate accident will incur an excess charge. A credit card imprint must be on all rental agreements and must be the credit card of a signatory of the contract unless prior arrangements have been made.

We do not accept Debit Cards for the security bond. Where a credit card is not available, a security bond is required. Once the vehicle is returned, we will retain \$500.00 of the security bond for any traffic infringements for 28 days and refund the balance.

Where a hirer has **Platinum Insurance** and does not have a credit card then there is a **\$500.00 security bond**. This is required for any infringements you may incur while travelling around New Zealand. This will be refunded 28 days from the return of your vehicle.

10. Cancellations

Please note that your deposit is non-refundable. Cancellation fees are as follows:

- **20 - 28 days:** 20% of rental is retained by us
- **10 - 19 days:** 60% of rental is retained by us
- **0 - 9 days:** 100% of rental is retained by us

In the case of a no-show, we will retain 100% of the rental.

If a vehicle is picked up late or returned early, there is no refund available. If an amendment is made to the rental dates within 28 days of collection, no refund will be made if the length of hire is decreased (the rental will be charged at the number of days originally booked). A relocation fee may apply if the collection or return location is amended within 28 days of vehicle pick-up or if notification occurs during the hire.

Any amendment made to decrease the length of the hire more than 28 days prior to the rental period will incur a NZ\$50.00 administration fee. It is important to note that Kiwi Campers may at its discretion treat any amendment to decrease the booking as a cancellation.

Any amendment to change the pick up date of the booking during the cancellation period will result in any future cancellations of that booking to be deemed to be cancelled from either the date that the change was requested or the current date, whichever results in a higher cancellation fee.

From time-to-time Kiwi Campers may have to cancel bookings due to circumstances beyond our control. Before doing so we shall endeavour to place the customer into an alternative vehicle but this is not guaranteed. This shall entitle the hirer to a full refund of their booking but shall not entitle the hirer to subsequential damages.

11. Force Majeure

The Customer acknowledges and agrees that, if we are unable to provide services because of circumstances beyond our control, this will not constitute impossibility of performance or frustration of this Agreement and that in such circumstances, clause 10 will apply instead of Subpart 4 of the Contract and Commercial Law Act 2017.

The following are some but not all examples of circumstances that may be beyond our control for the purpose of this clause: a weather event, natural disaster (including earthquake, tsunami, volcanic eruption, or wild fire), public health event (including epidemic/pandemic), strike, terrorist act, governmental, regional or local authority restrictions, change in law.

12. Road Restrictions

Hirers are permitted to drive their vehicle on any roads in New Zealand except for the following:

- Ninety Mile Beach - Northland
- North of Colville Township - Coromandel Peninsula
- Tapu - Coroglen Road - Coromandel Peninsula
- Skippers Canyon Road - Queenstown
- Ball Hutt Road - Mt. Cook
- Vehicles are not permitted on all ski field's access roads in both the North and South Islands from the 1 June to 31 October.
- Any beach or unformed/gravel roads in New Zealand. The only exceptions to this are any recognised campground access roads or road works. **Continuous driving on gravel or unsealed roads voids any insurance options under clause 14 of the Agreement and renders the Hirer liable for the total cost of any damage that is caused or contributed to by reason of travelling or having travelled on unsealed road.**
- We reserve the right to restrict vehicle movements in certain areas due to adverse road or weather conditions.

Please note that if these road restrictions are breached, all insurance purchased through the rental will become null and void and the Hirer will be liable for the full cost of all damage incurred.

13. Vehicle Substitution and Design

Should the vehicle booked be unavailable through unforeseen circumstances, we reserve the right to substitute an alternative vehicle without prior notification and at no extra cost to you. This shall not constitute a breach of contract and does not entitle the hirer to a refund.

Vehicles can only be requested by vehicle category.

We are unable to guarantee an automatic transmission.

Should the renter decide to take a cheaper vehicle category than booked then they will not be entitled to any refund.

14. Smoking

All our vehicles are designated as **Smoke Free**. Smoking of any kind is expressly forbidden inside our vehicles. If a vehicle is returned with the smell of smoking inside then a \$500.00 cleaning fee will apply.

15. Insurance - Standard Rates

All our standard rates include our standard Bronze Insurance.

The Hirer is liable for all damage done to the vehicle regardless of who is at fault. If the hirer is not at fault and the third party admits liability, then a refund will be processed upon receipt of payment from the third party. If no payment is received from the third party, then no refund will be made. The hirer is liable for all damage done to a third-party vehicle and/or property if the hirer is at fault.

An Accident Report MUST be filled out when there is ANY damage to the vehicle while it is hired.

Once the hire has commenced the liability reduction options are unable to be refunded.

Please Note: Third party insurance is not compulsory in New Zealand and claims can take months to resolve. For your peace of mind, we recommend that you take our Platinum Insurance.

Should a hirer go through another agent for their insurance there is a fee of \$250.00 to process paperwork for a claim or damage incident.

16. Insurance Options

There are four levels of liability reduction options available to the hirer. The standard option included in our rates is called the Bronze Insurance. Please note the hirer is fully liable for all towing/retrieval costs of a damaged vehicle regardless of the Insurance Option the hirer has selected. Please be aware that once an Insurance Option is selected and confirmed with us, the cost of the Insurance Option is **NON-REFUNDABLE**.

Additional insurance / liability reduction is charged on a per day basis.. A maximum of fifty days will be charged to reduce your excess.

Number of Claims

Each insurance policy can only have one individual claim (per contract) made by the hirer. The policy is cancelled after each accident and all payments are forfeited. Kiwi Campers reserve the right to agree to a renewal of any insurance policy or to cancel the hire at the hirers cost.

17. Insurance Exceptions

The hirer is liable for all damage done to the vehicle they have hired when:

1. These Terms and Conditions are breached.
2. Negligence or wilful misconduct has occurred. For example, breaking of a vent by trees or leaving the vent open while driving, leaving windows open (except drivers and passengers) while driving, not avoiding objects close to the vehicle (scraping either side or above or under the vehicle) etc.

6. The vehicle becomes submerged, flooded, bogged or immobile.
7. The hirer does not obey height-restricted areas (such as, but not limited to, car parking buildings) and damage is caused to the roof of the vehicle.
8. Damage or loss caused to any personal belongings.
9. The hirer is involved in a single vehicle rollover. This includes, but is not limited to, a vehicle that has rolled, tipped, or fallen over on its side.
10. Continuous driving on gravel or unsealed roads voids any liability reduction options under clause 14 of the Agreement and renders the Hirer liable for the total cost of any damage that is caused or contributed to by reason of travelling, or having travelled on unsealed roads.
11. Retrieving, storing, and recovering the vehicle to the agreed rental location following an accident.
12. The hirer has failed to stop and contact us when a warning light appears on the dashboard.
13. The hirer continues to drive the vehicle following the temperature gauge moving in a direction which shows a departure from the normal operating temperature.
14. The hirer continues to drive the vehicle after a mechanical breakdown or failure (including an accident) has occurred.
15. The hirer, at Kiwi Campers request, does not complete an insurance claim form following an accident.

18. Accessories

Accessories are available for hire. It is best to pre-order these to guarantee availability. You can still order the accessories at pick up but your choice may not be available. Please note that the hirer is fully liable for all costs if the accessories are lost, damaged or stolen regardless of what Liability Reduction Option was taken (if any).

If a baby seat or child seat is selected the hirer must install it and make sure the **restraints** are installed to match New Zealand legislation. In the event of an accident, we will not be liable for any loss or damage in relation to child restraints. It is the legal responsibility of the child's parents or guardians to ensure that their child is properly restrained.

Please ensure that the gas bottle is off (closed) while driving and that the rear or sliding door and the windows of the vehicle are open when the gas cooker is used.

19. On Road Assistance - Mechanical Faults

If the vehicle has any mechanical malfunctions or failures these problems must be reported to us as soon as possible in order to give us the opportunity to rectify the problem during the rental.

Please note that these services do not cover failures resulting from the hirer's action or inaction which includes, but is not limited to the following:

- Replacing keys that have been lost, broken, damaged or stolen

We use NZ Roadside Assistance. The hirer will be liable for a charge from the road-side assistance provider in the event assistance is required for any of the above. In addition, this includes any vehicle recovery assistance and towing in the event of an accident. These terms and conditions of hire authorise us or NZ Roadside Assistance to charge you directly.

The hirer is not entitled to any refund at the end of the hire period unless we have previously been advised of the problem and have been given the opportunity to rectify the situation. We do not accept any liability for any claims made after this point.

We will not be liable for any delays in getting repairs done caused by a breakdown on a public holiday. A refund can only be requested if the breakdown has directly caused a delay in travel of 48 hours or more. If the delay is less than 48 hours in one location a refund will only be given at our discretion.

20. Maintenance and Repairs - Equipment Faults

The hirer shall take all reasonable care to ensure that the vehicle is properly maintained. This should include regular checks of the oil, water, and batteries. The hirer shall be liable for any cost associated with the incorrect use of fuel in the vehicle, including putting fuel in the water tank. The failure of accessories such as TV, DVD, CD player, microwave, gas heater, air conditioning unit, fridge and hot water do not constitute a breakdown.

We understand that while on holiday the vehicle may require small repairs. So that your holiday is disrupted as little as possible, repairs up to \$100.00 can be completed without authorisation and will be reimbursed. Please keep your receipts.

All other problems associated with the vehicle's equipment must be reported to us as soon as possible in order to give us the opportunity to rectify the problem. Failure to do so will compromise any refund claims. We will endeavour to facilitate all on-road repairs.

21. Refunds

Regretfully, no refund can be given for any unused portion of your holiday. However, your travel insurance may in some circumstances cover the unused portion. Refunds for hires paid and cancelled prior to pick up will be subject to our cancellation policy. If it is determined that a refund is due, we will make the refund to the original credit card charged. All refunds will be made in New Zealand dollars and we do not accept any liability for currency exchange rate fluctuations. Refunds are processed once a week and can take up to 28 working days to appear on your card and depends on the renter's financial institution.

For the avoidance of doubt, no refunds are payable on accommodation, or motorhome/campervan not being available, where a hirer or passenger amends, cancels or seeks to vary the agreements after departure; or for cases of user error.

22. Exchange Vehicle

The availability of an exchange vehicle is not guaranteed and is subject to availability, customer location, accident liability and remaining hire duration and is entirely at the discretion of Kiwi Campers. Additional charges may be incurred as per below:
